Art Unit 3618
AMENDMENT
Page 7

REMARKS

By the preceding amendments, claim 7 has been rewritten in independent form incorporating all limitations of claim 6, as the base claim, there being no intervening claim. Because claim 7, as rewritten, calls for camming members, the claim objection in the Office Action noted above is inapplicable. Claim 6 has been cancelled.

Claims 8 through 15 continue to depend directly or indirectly upon claim 7. Claims 8, 9, and 11 have been amended for improved syntax. Claim 13 has been amended so as to depend upon claim 7, rather than upon claim 6.

By the preceding amendments, claim 16 has been rewritten in independent form incorporating all limitations of claim 15, as the base claim, there being no intervening claim. Claim 15 has been cancelled.

Claims 18 through 23 continue to depend directly or indirectly upon claim 16. Claims 17, 18, and 20 have been amended for improved syntax. Claim 22 has been amended so as to depend upon claim 7, rather than upon claim 6.

The applicants submit, therefore, that claim 7, as rewritten, its dependent claims, as amended, claim 17, and its dependent claims, as amended, should be now allowable.

Respectfully submitted,

By Allen J. Hoover
